June 7 - 28

Lighthouse Recreation

Friday Bike Nights

Come on out to the bike park on Friday evenings! This event series is all about providing a safe, encouraging, and inclusive experience for riders of all abilities to enjoy the bike park. Try one of our bikes and helmets, learn some bike maintenance tips, become a park maintenance volunteer, have some laughs, and help build up our bike community. The Lions Concession will be open with food and refreshments. Stay tuned for weekly local guests.

Free!
